The Workroom

Your gifts and talents. The things you like to do (and are good at).

The Recreation Room

Your entertainment and free time. Your friends and associations. The places you like to hang out.

The Dining Room

Appetites and desires. Your goals, ambitions, and satisfactions (what rewards you are striving for).

The Living Room

The quiet place where you meet with God. The time you spend in prayer and fellowship.

The Hall Closet

This small room holds the secrets of your heart. The things that are hardest to give over to God.
