

## Living with an Eternal Perspective

“You have seen people treat this world like it was a permanent home. It’s not. You’ve seen people pour their time and energy into life like it will last forever. It won’t. You see people so proud of what they’ve done, they don’t want to leave- they will.”

-Max Lucado

“Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your body will be also.”

- Matthew 6:19-21

In what ways do you treat this world as if it were a permanent home?

What are you *already* doing that is living for the eternal?

What changes do you need to make right now so that you are living with an eternal perspective?
